### **Writing Your Faith Statement**

Christians throughout the years have tried to summarize, in a few words, what it is that they believe about God. This is how the creeds came into being! As you prepare to affirm your faith, please take some time to think about what it is that you believe. If you were trying to explain to someone else, very briefly, what it is that you believe about God, what would you say? Think about what you have been learning about God, then write your summaries below. Each section should have at least 10 words, and not more than 50.

What do you believe about God the Father/Creator?

What do you believe about Jesus?

What do you believe about the Holy Spirit?
